

# Kindergarten Readiness

## ***Building a strong foundation for school success!***

Our Kindergarten Readiness program lays a strong foundation for a positive educational experience and a smooth transition to Kindergarten. Children may attend once or twice per week. Experienced educators spend time exploring literacy, numeracy, science and so much more with children through a natural and inquiry-based program.

This program includes explores skills within:

- \* **Literacy** through phonics, writing skills through fine motor development, literature appreciation through storytelling
- \***Early Math** concepts, including numeracy and patterning
- \***Self-Expression** and **Creativity** through Music and Art
- \***Independence**, self-awareness and confidence building activities
- \***Cooperation**, collaboration and communication skills with peers

**Tuesday, Wednesday, Thursday**  
**9:30am - 12:00noon**

Choose 1, 2 or 3 days | From \$35/day  
Our 4 terms are Sept-Nov, Dec-Mar, April-June, Jul-Aug

*"Play gives children a chance to practice what they are learning." -Mr. Rogers*
