Job Summary

Teachers at Oak Learners are experienced teachers who are passionate about providing personalized learning opportunities and building confidence in students of all ages. Oak Learners' progressive, interdisciplinary, inquiry-based programming brings new learning opportunities and experiences through an integrated and immersive approach to education. Teachers work as a team in classrooms of 6:1, design and delivering hands-on and cross-curricular learning experiences for students. Ontario Curriculum content and skill achievement guidelines are covered, enriched, and reflected upon through a holistic approach to education in a 21st century environment.

Main Duties

- Design and implement daily instruction for students in a mixed-grade classroom environment
- Collaborate and communicate effectively with colleagues to provide consistent instruction in a flexible and fast-paced learning environment
- Create, research and obtain curriculum content and tools that meet the needs for each individual student
- Maintain accurate learning records on student progress and development
- Maintain open and regular communication with parents about their child's progress
- Helping students develop self-confidence in performing academic work

Required Experience

- Must have a Bachelor of Education and be a member of the Ontario College of Teachers
- 2-3 years of teaching experience preferred
- Preferred Special Education AQ, Experiential Education AQ, or other AQ's related to teaching specialties.
- Tutoring experience or small class teaching experience preferred
- Strong academic skills and an ability to adapt lessons to the needs of all learners.
- Knowledge of the Ontario school curriculum and the expected outcomes for students at various grade levels.
- Up-to-date knowledge about learning theories, techniques and resources.
- Strong technology skills and ability to learn and implement new technologies into classroom teaching and team collaboration

Required Skills

- Ability to work with people from various disciplines and cultures
- Ability to problem solve in a fast-paced work environment
- Strong time management and organizational skills.
- Ability to assume responsibility, prioritize tasks and meet deadlines
- Ability to work with minimal supervision

Employment Benefits

- Optional Health Benefits
 - Flexible Scheduling
 - Parking available
 - Professional Development opportunities
 - Advancement opportunities
